How long, how long
has that evenin' train been gone?
How long baby, how long
So long it seemed so long.How long, how long
has that evenin' train been gone?
How long baby, how long
So long it seemed so long.I stood at the statition. Watched my baby leavin' town.
Feelin' disgusted now, and nowhere could peace be found.How long, how long
has that evenin' train been gone?
How long baby, how long.
So long it seemed so long.How long, How long
has that evenin' train been gone?
How long baby, how long
so long, it seemd so long.How long, how long
has that evenin' train been gone?
How long baby, how long
So long, it seemd so song.And someday you gonna be sorry that you done me wrong, but it will be too late, oh baby I will be gone!So long, so long.
but that evenin' train is gone.
So long, baby so long
I'm gone and so longSo long, so long
but that evenin' train is gone.
So long baby, so long
I'm gonna so long
