

Make It With You

[Marc Anthony](#)

I wanna love you
For the rest of my life
Te quiero tanto, [Foreign Content]
Hey, have you ever tried
Really reaching out to the other side
I may be climbing on rainbows
But, baby, here goes
Dreams, they're for those who sleep
Life is for us to keep and if you're wondering
What this song is leading to, hey
I want to make it with you
I really think that we can make it, girl
No, you don't know me well
And every little thing only time will tell
If you believe the things that I do

We'll see it through
Life can be short or long, love can be right or wrong
And if I chose the one I'd like to help me through, oh
I want to make it with you
I really think that we can make it
Dreams, they're for those who sleep
Baby, life is for us to keep and if you're wondering
What this song is leading to, hey
I want to make it with you
I really think that we can make it
Hey, hey, baby
[Foreign content] I really think, I really think that we can make it
