

She Ain't Got...

LeToya

Verse 1:

Now ain't nobody perfect but I given you everything even past the fact that you lied and what you did to me
Them lonely night at home when I cried, baby, I cried, baby, I tried, yeah
You don't even care about what we had and I won't deal with [Incomprehensible]
So don't compare me to this trash, I'm a take out the trash soon as I find out who she is

Chorus:

Who is this chick that ya thinks all that?
Trying to steal you away but I ain't having that
I done put my foot down on home girl's neck to make you see that

(5xs)

She ain't got shit on me (that hoe)

She ain't got, she ain't got

Verse 2:

I don't wanna leave 'cause you ain't gone
You're a puppy on a leash trying to come back home
I don't let you out to play but you ain't playing fair, you done meet this little stray bringing flees 'round here

(Repeat)

So swing batter, batter, batter
Swing batter, batter, batter

Right out of batter, batter
Right out of batter, batter
All I need to know is who she is

Chorus:

Who is this chick that ya thinks all that?
Trying to steal you away but I ain't having that
I done put my foot down on home girl's neck to make you see that

(5xs)

She ain't got shit on me (that hoe)

She ain't got, she ain't got

Bridge:

Does she kiss like me?
Care for your kiss like me?
Keep a secret like me?
Does she cook, clean, do all the things?
Can you take her home to mama?
Deal with your baby mama?
Does she bite like me, stay fly like me, down to ride like me?
No, 'cause she ain't me, yeah!

Chorus:

Who is this chick that ya thinks all that?
Trying to steal you away but I ain't having that
I done put my foot down on home girl's neck to make you see that

(5xs)

She ain't got shit on me (that hoe)

She ain't got, she ain't got

(Outro 8xs)

Outro:

Swing batter, batter, batter
