Everlasting King

Enterline

You overcome the darkness/ Shine forth the light of day
You walk with me through fire/ Iâ€™m held in Your arms of grace

Youâ€™re the Everlasting King/ You have come to set me free
You have broken every chain/ That once held me, that once held me
Youâ€™re the love that saved my life/ Oh, Your faithfulness does shine
Through my failures I do call out to You/ Out to You

I see You in the trial/ Surround me in Your ways
Your thoughts toward me forever/ They are good, Your plan awaits

Iâ€™m alive, Iâ€™m alive in You
Iâ€™m alive, Iâ€™m alive in You
