The Camera

Karl Bartos

cameralet me recreate the world for you.
there is no beginning and no end.
the camera is gonna be your best friend.let me show you what i can do.
people turn into objects and in the end,
the camera is gonna be your best friend.i'll take a picture of the world.
i'll take a picture of the world.
you become the camera becomes you.
celebrate a new pseudoevent:
the camera is gonna be your best friend.the more it tells, the less you know.
it takes so long to comprehend:
the camera is gonna be your best friend.i'll take a picture of the world.
i'll take a picture of the world.camera obscura
(la la la, ...)i'll take a picture of the world.
i'll take a picture of the world.(la la la, ...)
