

# Poppin'

## Brokencyde

Let's get it poppin, it's poppin, let's get it poppin girl (x4)

Bitch you love me for my money  
My new wallet it fat  
Maserati's models want me cause i rap like i'm black  
Fo shizzle nizzle i got these bitches all up in my sack  
They're all invited to a sold out show in my pants

(Let's go)  
Let's get it poppin baby  
(Get low)  
Let me see you drop it baby  
(So low)  
I got that ice baby  
(Fo sho)  
Let's get it poppin baby

Let's get it poppin, it's poppin, let's get it poppin girl (x4)

Let's get it poppin now  
I'm feelin kind of shaky now  
Let's get it pop  
Let's get it pop  
Now baby break it down (x2)

(Let's go)  
I got a yaht baby  
(Get low)  
Come suck my cock baby  
(So low)  
Now do it twice baby  
(Fo sho)

Let's get it poppin baby, Let's get it poppin, let's get it poppin girl (x4)

I got a big phat diamond on the side of my neck  
Now put that shit in reverse girl  
Like beeb beeb  
Now shake it baby  
Go shake it don't be afraid of the beat

You only want me for my doe!

(Let's go)

I'm fucking rich baby

(Get low)

Look at my wrist baby

(So low)

It must be nice baby

(Fo sho)

Let's get it poppin baby, Let's get it poppin, it's poppin, let's get it poppin girl (x8)
