Mood Swing

Luscious Jackson

You come and get me when I'm all alone

On the corner just skin and bones

Fever in and fever out

You're the swinger who brings me doubtLoverbo, where you comin' from?

Down there, out back always on the run

Cool, cool, deep blues

You're the shine on my shoesIs it in the damp heat inside of me

Or is it in the fire that we collide?

I feed you mood swing

But you're never satisfiedIs it in the damp heat inside of me

Or is it in the fire that we collide?

I feed you mood swing

But you're never satisfiedMood swing, I can't let you win

You bring me up, you bring me down

Mood swing, I can't give in

To your subtle wiles and your endless milesYou love me now but you'll hate me soon

In the light of the dark moon

Smiling faces always turn away

You're the kind that likes to play Your fun and games take me up and down

With the skill of a circus clown

You see through my truth

I give it up 'cause it's up to youYou stare me down, how you scare me

But my eyes are open wide

And I will rise to fight you

My delight won't be deniedMood swing, I can't let you win

You bring me up, you bring me down

Mood swing, I can't give in

To your subtle wiles and your endless miles Mood swing, I can't let you win

You bring me up, you bring me down

Mood swing, I can't give in

To your subtle wiles and your endless miles
