# French Exit

## The Antlers

Everytime we speak
You are spinning in my mouth
If I could take you somewhere else
I'm gonna pull my teeth right out

Everytime we meet
You are shrinking in my heat
If I don't take you somewhere else
You're gonna let the sun still set (come on)

Everyone I've loved
Kept me tangled in my heart
Your ?
Not enough to tease a ? (come on)

Everyone I hold
Holds me strangle sweet and smile
I'm not a puppy you'll take home
Don't bother trying to fix my heart
