

# Cry Baby Cry

## Fool's Garden

(Lennon / McCartney)Cry Baby Cry  
Make your mother sigh  
She's old enough to know better  
So cry baby cryThe king of Marigold was in the kitchen  
cooking breakfast for the queen  
The queen was in the parlor playing piano  
for the children of the kingCry Baby Cry  
Make your mother sigh  
She's old enough to know better  
So cry baby cryThe king was in the garden picking flowers  
for a friend who came to play  
The queen was in the playroom painting pictures  
for the children's holidayCry Baby Cry  
Make your mother sigh  
She's old enough to know better  
So cry baby cryThe duchess of Kirkcaldy always smiling  
and arriving late for tea  
The duke was having problems with the message  
at the local Bird and BeeCry Baby Cry  
Make your mother sigh  
She's old enough to know better  
So cry baby cryTwelve o'clock a meeting 'round the table  
for a seance in the dark  
With voices out of nowhere put on specially  
by the children for a larkCry Baby Cry  
Make your mother sigh  
She's old enough to know better  
So cry baby cry
