

Indian Summer

Tony Bennett

Summer, you old Indian summer
You're the tear that comes after June-time's laughter
You see so many dreams that don't come true
Dreams we fashioned when summertime was new
You are here to watch over
Some heart that is broken
By a word that somebody left unspoken
You're the ghost of a romance in June going astray
Fading too soon, that's why I say
"Farewell to you, Indian summer"
You are here to watch over
Some heart that is broken
By a word that somebody left unspoken
