

Desolation Valley

Nektar

Take a look around yourself
And see what I see
Persecuted eyes, look down on me
I can't take no more
Of what I took before
Help me please. I'm falling down
Desolation valley now
Take a look around yourself
And see what I see
Imagination merged with reality
You won't see no more
Like you did before
Watch yourself you're falling down
Desolation valley now
