

# Can't Stop Now (Live At Quilmes Rock)

Keane

I noticed tonight that the world has been turning  
While I've been stood here, dithering around  
Though I know I said I'd wait around 'til you need me  
I have to go, I hate to let you down But I can't stop now  
I've got troubles of my own  
'Cause I'm short on time  
I'm lonely and I'm  
Too tired to talk I noticed tonight that the world has been turning  
While I've been stuck here, withering away  
Though I know I said I wouldn't leave you behind  
But I have to go, it breaks my heart to say But I can't stop now  
I've got troubles of my own  
'Cause I'm short on time  
I'm lonely and I'm  
Too tired to talk To no one Back home  
I've got troubles of my own  
And I can't slow down  
For no one in town  
And I can't stop now And I can't slow down  
For no one in town  
And I can't stop now  
For no one The motion keeps my heart from you  
The motion keeps my heart from you  
The motion keeps my heart from you  
The motion keeps my heart from you
