X-Panding Limits

Junkie XL

Mix beat
Mix beat
Mix beatJunkie expandin' limits
Funky integration
Record needles showin' doses
With white Moses, party populationPeeps catch the beat, frantic pours pourin'
Strobe lights on, polygon
Hallucination gives you more than crazy moods
Stretch the grooves for the flockNo a-muck, super duper hi-tech rock
For the soft knock or hard knock
Down to few bucks, taxi cab aftershock
Follows the drug, marathon, strechtin' on
Till the fever pitch dropsJunkie expand its limits, mix beat
Junkie expand its limits, mix beat
Junkie expand its limits, mix beat
Junkie expand its limitsShow stops, door pops
Bouncers out bouncin' get fat nuts
Night clubbin' flock
Steppin' slow-mo like sand boxGot these souls rollin'
Standin' like ships on stones
Satiated, blatant, tainted
Now sanity shows holesSleep overcome the ones
That followed the god of fun
Honey buns with bums
Get the watchful eye stunnedTeens get me spirited
Exchangin' digits from sky pagers
To disco mania never sayin' to ya
The lust is majorCatch the brothers on the rebound
With skins on the skeez route
Those with wheels, fleshy feels
Surely got clout, what it's all about?Stretchin' the funky addiction
Line to line, minds unwind
With the cocaine dissolution
Syringe tricks the kick in private seclusionChase the rush, it was tough to loose
The kaleidoscopic illusion
Stretch the limit, kill the cynic
In the human shellFeel the funky, never flunky
In the Junkie XL.Junkie expand its limits, mix beat
Junkie expand its limits, mix beat

Junkie expand its limits, mix beat
Junkie expand its limits, mix beat
Junkie expand its limits
