

Babylon Drifter

My Life With the Thrill Kill Kult

Too wild to possess
Maverick Babylon drifterIn love with a spy and the ultimate weapon
She'll pay the price just to make it happen
Passion plays through dangerous vision
Staying alive is just part of the missionIn love with a spy and the Babylon drifter
He'll pay the price just to make it with her
Polaroids capture their synthetic moods
Chained by desire he's the vortex of coolToo wild to possess maverick Babylon drifter
Babylon drifter, maverick Babylon drifter
Too wild to possess maverick Babylon drifter
Babylon drifter, maverick Babylon drifterThe methods of mad men hold deadly convictions
Their secrets of pleasure fall slave to addiction
A girl needs a gun like a boy needs a girl
But crimes of the heart have no place in their worldToo wild to possess maverick Babylon drifter
Babylon drifter, maverick Babylon drifter
Too wild to possess maverick Babylon drifter
Babylon drifter, maverick Babylon drifterIn love with a spy and the ultimate weapon
She'll pay the price just to make it happen
Polaroids capture their synthetic moods
Chained by desire he's the vortex of coolStaying alive is just part of the mission
Staying alive is just part of the missionToo wild to possess maverick Babylon drifter
Babylon drifter, maverick Babylon drifter
Too wild to possess maverick Babylon drifter
Babylon drifter, maverick Babylon drifterToo wild to possess maverick Babylon drifter
Babylon drifter, maverick Babylon drifter
Too wild to possess maverick Babylon drifter
Babylon drifter, maverick Babylon drifterToo wild to possess
Maverick Babylon drifter
