

Count On Me

Mat Kearney

One day to get it all right
Two wrong and not enough right
Three words you said in the night
Before we held the fire
High five me brother it's amazing
Her six shooter came out blazing
Seven Up and Coke on the pavement
Ate my heart out daily baby Hey I love you,
Hey I need you,
Hey I want you,
Do you want me too? You can count on me, when you can not see
Let me spell it
Out plain and simple now
When your numbers called backs against the wall
Pick you up when you fall be there when you call Singing a b c
You can count on me
One, two, three
You can count on me Amen we made it this far
B boys in V dub cars
See me seeing into my heart
Delighted through the dark
Emails and coffee in the evening
Effort ya brother you'll believe it
Gee I don't know your secret
Each I love you singing Hey I love you,
Hey I need you,
Hey I want you,
Do you want me too? You can count on me, when you can not see
Let me spell it out plain and simple now
When your numbers called backs against the wall
Pick you up when you fall be there when you call Singing
A B C
One two three
Run Run when your calling
Hey, A B C
Ad it up add it up now darling You can count on me when you cannot see
Let me spell it out plain and simple now
When your numbers called backs against the wall
Pick you up when you fall be there when you call Singing

A B C

You can count on me

Hey, one two three

You can count on me

A B C

You can count on me

Hey, one two three

You can count on me

A B C

Hey, one two three

One two three
