

Baby Love

Donny Osmond

Baby love, my baby love
I need you, oh I need your love
But all you do is treat me bad
Break my heart and make me so sad
Tell me, what did I do wrong
To make you stay away so long

Baby love, my baby love
I need you, oh I need your love
But all you do is treat me bad
You my heart and make me so sad
Tell me, what did I do wrong
To make you stay away so long

Baby love, my baby love
Been missing you, miss kissing you
Instead of breaking up
Let's do some kissing and making up
Don't throw our love away
Cause in my arms, why don't you stay?

Baby love, my baby love
Why must we separate, my love
All of my whole life through
I never loved no one but you
Why you do me like you do?
I get this need

My love, my baby love
I need you, oh how I need your love
Oh, why you do me like you do
After I've been true to you
I'm in love with you baby
I need you baby, baby baby love...
