

The Bluest Eyes in Texas

A Camp

That lonesome Texas sun was setting slow
And in the rearview mirror, I watched it go
I can still see the wind in her golden hair
I close my eyes for a moment, I'm still there

The bluest eyes in Texas
Are haunting me tonight

Like the stars that fill the midnight sky
Her memory fills my mind

Where did I go wrong?
Did I wait too long? Or can I make it right?

The bluest eyes in Texas
Are haunting me tonight

Another town, another hotel room
Another dream that ended way too soon
Left me lonely prayin' before the dawn
Searching for the strength to carry on

The bluest eyes in Texas
Are haunting me tonight

Like the stars that fill the midnight sky
Her memory fills my mind

Where did I go wrong?
Did I wait too long? Or can I make it right?

The bluest eyes in Texas
Are haunting me tonight

For every heart you break, you pay a price
But I can't forget the tears in her blue eyes

The bluest eyes in Texas
Are haunting me tonight

Like the stars that fill the midnight sky
Her memory fills my mind

Where did I go wrong?
Did I wait too long? How can I make it right?

The bluest eyes in Texas
Are haunting me tonight

The bluest eyes in Texas
Are haunting me tonight
