Poison Vine

Noah Gundersen

Oh my brother
Draw the line
Wake me up in time
In the morning, in the morningLet the light come crystallize
Come quantify
In the morning, in the morningI know the fire goes out
All the time, all the time
I know the fire goes out
But be to work on time
To pull the morning open sign
Drinking coffee with the poison on the vine
See you tomorrow for the 9 to 5
Do it all right, all rightClose your eyes now, hypnotized
Rest here for a while
Before they find you, before they find you
Bless the man whose fingers ran
The needle to the groove
Before they find you, before they find youI know the fire goes out
All the time, all the time
I know the fire goes out
But be to work on time
So pull the morning open son
Drinking coffee with the poison on the vine
See you tomorrow for the 9 to 5
Do it all right, all righ
