Dress Rehearsal

Snapcase

Five - Four...
System countdown will begin.
Will you honor your thoughts?
With ignition switches flipped, are you true to your word?
But weÂ´ll tell you once again.Four - Three...
DonÂ´t be a deceiver because you know youÂ´ll be left to burn.
And you hold on to nothing when your feet never leave ground.Your devotion is on the line.
Can you commit and sustain?
And when the take-off engines run, are you willing to die?
But weÂ´ll tell you once again...Three - Two...
DonÂ´t be a deceiver because you know youÂ´ll be left to burn.
And you hold on to nothing when your feet never leave ground.
