

# Hot Summer

## Monrose

Hot, hot, hot, hot  
Hot, hot, hot, hot They're placing me here in the bad girls section  
I got a new dress and that looks perfection  
I introduced to a hot producer  
But I can tell he's just a stuck up loser Keep it composed  
Just wanna rip off my clothes  
I wanna give out a toast  
To those freakin' the most I got a feeling that I just can't let it go  
Now I can't stop it, baby, let's get physical  
Just wanna get up in a good vibration  
And I can feel it in the air It's gonna be a hot summer  
A hot, hot summer  
Hot summer  
A hot, hot  
Gonna be a  
Hot summer  
A hot, hot summer  
Hot summer  
A hot, hot  
Gonna be a Hot, hot, hot, hot  
Hot, hot, hot, hot I need somebody to release this tension  
And that club such a good invention  
It makes me read up all these complications  
From here I know that we can rock this nation Bad to the bone  
Tonight I'm claiming my throne  
You got me into the zone  
And now this party is on I got a feeling that I just can't let it go  
Now I can't stop it, baby, let's get physical  
Just wanna get up in a good vibration  
And I can feel it in the air It's gonna be a hot summer  
A hot, hot summer  
Hot summer  
A hot, hot  
Gonna be a  
Hot summer  
A hot, hot summer

A hot, hot  
Gonna be a Beach life
