

# For Those Who Have Departed (feat. Deni Gauthier)

## Rose Cora Perry

V1: She said she said itâ€™s not okay  
When you speak to me like that  
He said he said donâ€™t go away  
Or Iâ€™ll make you stay

V2: She cried yes she cried donâ€™t hurt me that way  
But he just pulled a little closer  
She screamed yes she screamed Iâ€™m falling away  
But he just dug a little deeper

V3: She said she said Iâ€™m sorry again  
But it was never her fault  
She begged she begged to him once again  
But he just made her feel guilty

V4: She tried yes she tried she tried so damn hard  
But nothing could ever please him  
She died yes she died she died in his arms  
Iâ€™m sorry this doesnâ€™t have a happy ending

Bridge/Outro: For when she tried tried to get away  
The knife was already sharpened  
He claims claims to this day  
That he had no bad intentions  
He cried yes he cried  
When they took him away for how could they question  
And he died yes he died  
Died on the day that they told him  
that this was hate  
This was not love, it was hate  
This was not love, it was hate
