

Always And Forever

Luther Vandross

Always and forever
Each moment with you
Is just like a dream to me
That somehow came true, yeahAnd I know tomorrow
Will still be the same
'Cause we got a life of love
That won't ever change andEveryday love me your own special way
Melt all my heart away with a smile
Take time to tell me you really care
And we'll share tomorrow together
Ooh baby, I'll always love you forever
Ever, ever, everThere'll always be sunshine
When I look at you, yeah
It's something I can't explain
Just the things that you doAnd if you get lonely
Call me and take
A second to give to me
That magic you make andEveryday love me your own special way
Melt all my heart away with a smile
Take time to tell me you really care
And we'll share tomorrow together
Ooh baby, baby, I'll always love you forever
Ooh baby, ooh baby, yeah baby, yeah baby, foreverAlways love you forever
Always love you forever
Always love you foreverYes, I'm the one who
Yes, I'm the one who loves you
Always and forever, I love you
