

# Ten With A Two

Kenny Chesney

Last night downtown I was drinking the booze  
Like it was going out of style  
My whole head got light  
I lost my eyesight  
I ain't been that drunk in awhile  
Along about 1 I spotted a queen  
And I started to make my move  
Aw, she was believing every line I was laying  
Lord I was just too cool  
Well I thought I died and gone to heaven  
But lord did I look like a fool  
Last night I came in at 2 with a 10  
But at 10 I woke up with a 2[Chorus]  
Last night I came in at 2 with a 10  
But at 10 I woke up with a 2  
I've got 20/20 vision when I ain't drinking  
But lord when I do I lose  
I ain't never gone to bed with an uglier woman  
But I sure woke up with a few  
Last night I came in at 2 with a 10  
But at 10 I woke up with a 2Well I made up my mind  
I was never gonna find  
Myself in that condition again  
But here I sit on the same bar stool  
And just look at the shape I'm in  
I done spotted me another queen  
Sitting at a table alone  
So I strolled on over and sat myself down  
And asked if I can take her home  
When she said yes, I thought I'd been blessed  
But boy did I look like a fool  
Last night I came in at 2 with a 10  
But at 10 I woke up with a 2[Chorus]
