

# Jesus Christ

## Big Star

Angels from the realms of glory  
Stars shone bright above  
Royal David's city  
Was bathed in the light of love Jesus Christ was born today  
Jesus Christ was born  
Jesus Christ was born today  
Jesus Christ was born "Lo", they did rejoice  
Fine and pure of voice  
And the wrong shall fail  
And the right prevail Jesus Christ was born today  
Jesus Christ was born  
Jesus Christ was born today  
Jesus Christ was born We're gonna get born now
