# Holly Drive

## Sally Seltmann

There's a certain time of day
When I go for a walk in the sunlight
All the cracks and the crevices
Are holding in the darkness so tightHeavy heart
I'll protect you
Weathered soul
I won't neglect you'Cause there's a sunny disposition on the outside
On the outside
But it's a shady place I live in on the inside
On the inside
Fingers and bones and cobwebs and holes
In the carpet
Feel the beat of my shoes on the street
Until I make it
Back homePeople often say
I'm a lot like the man from Paris, Texas
But here I am on Holly Drive
With hummingbirds and sunny skies, protectedHeavy heart
I'll protect you
Weathered soul
I won't neglect you'Cause there's a sunny disposition on the outside
On the outside
But it's a shady place I live in on the inside
On the inside
Fingers and bones and cobwebs and holes
In the carpet
Feel the beat of my shoes on the street
Until I make it
Back homeLittle old house in the middle of the street
I saw you open the gate and I saw you leave
Living in a story book neighbourhood
Complicated, misunderstood
I'm always on the run and I hate copy paste for god's sake
There's a sunny disposition on the outside
On the outside
But it's a shady place I live in on the inside
On the inside
Fingers and bones and cobwebs and holes
In the carpet

Feel the beat of my shoes on the street
Until I make it
Back home
