Afraid

Palisades

The one thing
We canâ€™t ever change is free will,
We canâ€™t dwell on it.
Even though
it gets hard to breathe
It feels heavy on me, it feels heavy

But Iâ€™ll sleep tonight, I will sleep tonight,
A dark cloud hangs over things that you said.
Sleep tonight, I will sleep tonight,
Knowing I canâ€™t let it get in my head.

Ohh, whateverâ€™s gonna be, let it happen.
Ohh, canâ€™t control what cannot be contained!
Ohh, and when youâ€™re left for dead, show â€˜em whatâ€™s left.
Ohh, when itâ€™s dark you cannot be afraid!

Canâ€™t explain
How people change,
From so close to so far away.
It's so fast
How it can go from a
Dream to a nightmare.

But Iâ€™ll sleep tonight, I will sleep tonight,
Knowing that I can depend on myself.
sleep tonight, I will sleep tonight,
Knowing that I wonâ€™t be anyone else.

Ohh, whateverâ€™s gonna be, let it happen.
Ohh, canâ€™t control what cannot be contained!
Ohh, and when youâ€™re left for dead, show â€˜em whatâ€™s left.
Ohh, when itâ€™s dark you cannot be afraid!

But Iâ€™ll sleep tonight, I will sleep tonight,
Knowing that I can depend on myself.
sleep tonight, I will sleep tonight,
Knowing that I wonâ€™t be anyone else.

Ohh, whateverâ€™s gonna be, let it happen.

Ohh, canâ€™t control what cannot be contained!
Ohh, and when youâ€™re left for dead, show â€˜em whatâ€™s left.
Ohh, when itâ€™s dark you cannot be afraid!

When itâ€™s dark you cannot be afraid!
