

# Playing To Win

## Mr. Natural

If you want me, come and get me

You don't have a chance if you don't move now

I'm not waiting any longer

You know that I'm playing to win this timeWhen you make your move, I won't hesitate

If you take too long, you could be too late

This time I'm playing to winIf you want me, come and say it

Don't wait around for another chance

Make your mind up, make your play

You should be playing to win this timeWhen you make your move, I won't hesitate

If you take too long, you could be too late

This time I'm playing to winAll those wasted years, I didn't know

I was only emotion away, I got what I wanted from me

But I didn't see it was not what I needed

I was a fool, this time I'm playing to winIf you want me, come and get me

You don't have a chance if you don't move now

I'm not waiting any longer

You know that I'm playing to win this timeWhen you make your move, I won't hesitate

If you take too long, you could be too late

This time I'm playing to winWhen you make your move, I won't hesitate

If you take too long, you could be too late

This time I'm playing to winThis time I'm playing to win

This time I'm playing to win

This time I'm playing to win
