

# Favorite Song

## Tobymac

Are we good? Cool

My whole life Iâ€™ve wondered how  
Just wonderinâ€™ how I could turn around  
Itâ€™s over now, yea

Iâ€™mma leave myself fresh melodies  
Wanna be in Your beautiful symphony  
Itâ€™s over now

You sing to me and my heart comes to life  
Beating for you every time (itâ€™s beating beating)  
And how â€˜bout I hear you oh I love the way  
Your chorus gets stuck in my mind

Like the lyrics to my favourite song  
You stick with me all day long  
And when Iâ€™ve reached the end  
I wanna hear it again

Like the lyrics to my favourite song  
You stick with me all day long  
And when Iâ€™ve reached the end  
I wanna hear it again

Well he already makes it so surprising  
Like raindrops when the sun is shining  
Itâ€™s beautiful to me

So you flip my words and change the tempo  
And somehow you just make it simple  
So beautiful to see

You sing to me and my heart comes to life  
Beating for you every time (itâ€™s beating beating)  
And how â€˜bout I hear you oh I love the way  
Your chorus gets stuck in my mind

Like the lyrics to my favourite song  
You stick with me all day long

And when Iâ€™ve reached the end  
I wanna hear it again

Like the lyrics to my favourite song  
You stick with me all day long  
And when Iâ€™ve reached the end  
I wanna hear it again

Itâ€™s beating beating  
Itâ€™s beating beating

I am man in need  
You are my remedy  
I love the way that you sing to me sing to me  
Your soothing melodies have got me listening  
I canâ€™t wait to hear you sing to me sing to me

I am man in need  
You are my remedy  
I love the way that you sing to me sing to me  
Your soothing melodies my heart is listening  
I canâ€™t wait to hear you sing to me sing to me

Like the lyrics to my favourite song  
You stick with me all day long  
And when Iâ€™ve reached the end  
I wanna hear it again

Like the lyrics to my favourite song  
You stick with me all day long  
And when Iâ€™ve reached the end  
I wanna hear it again

My favourite song  
All day long  
I wanna hear it again

My favourite song  
All day long  
I wanna hear it again

My favourite song  
All day long  
I wanna hear it again
