

Crank Me Up

Adina Howard

Ah, ah, yeah, yeah, uh
Better pump this in your jeep
Gotta turn the volume up
Wanna smoke a little of this stuff
That's the way we blaze on up Better pump this in your jeep
Better turn the volume up
Wanna smoke a little of this stuff
That's the way we blaze on up Boy, ain't a freak like me
That do it constantly
Make sure you keep busy
Wanna feel the part of me You make my heart beat faster
(Yeah)
You got me ill flow like a rapper
(Ooh)
I'll blaze you with good sensations
Your loving be my first occupation This is how I'm puttin' it down
For my peeps on the other side of town
Can you tell me are you feeling me?
And if you're feeling me then bump this in your jeep
Play this in your jeep Oh, ah, baby, show me love
Better pump this in your jeep
Oh, ah, baby, crank me up
Better turn the volume up
Oh, ah, baby, show me love
Wanna smoke a little of this stuff
Oh, ah, baby, crank me up, uh, ah Baby, were you fine along me?
Won't you come and spend some time
Won't you come and chill with me?
I know you wanna smoke this
All I ever wanted you to do, ooh, is to feel me
I wanna sit and get you in the mood
But you gotta play this in your jeep, in your jeep Oh, ah, baby, show me love
Better pump this in your jeep
Oh, ah, baby, crank me up
Better turn the volume up
Oh, ah, baby, show me love
Wanna smoke a little of this stuff
Oh, ah, baby, crank me up, yeah, yeah, ah You got it, tell me how you want it
(Yeah, ey)

How you want it, I wanna make you funky

(Ooh, yeah)

You got it, tell me how you want it

How you want it, I wanna make you funky

(Funky) You got it, tell me how you want it

(Ooh, oh)

How you want it, I wanna make you funky

(Hey)

You got it, tell me how you want it

(Mmm)

How you want it, I wanna make you funky

(Funky) Oh, ah, baby, show me love

Better pump this in your jeep

Oh, ah, baby, crank me up

Better turn the volume up

Oh, ah, baby, show me love

Wanna smoke a little of this stuff

Oh, ah, baby, crank me up, yeah, yeah, ah Round and round, let's get to down

Feelin' my body, my body

Round and round, let's get to down

Feelin' my body, my body Round and round, let's get to down

Feelin' my body, my body

Round and round, let's get to down

Feelin' my body, feelin' my body Oh, ah, baby, show me love

Better pump this in your jeep

Oh, ah, baby, crank me up, better
