

Raoul and the Kings of Spain

Tears for Fears

When the seventh of the seventh son
Comes along and breaks the chains
Raoul, Raoul, Raoul and the Kings of Spain
Making it plain, making it sane
To turn this loss into a gainRaoul, Raoul, Raoul and the Kings of SpainDid you know your father was an island?
Did you know your mother was the sea?
Can we ever hope to seek asylum?
From the bounds of fate and familyWhen the seventh of the seventh son
Comes along and breaks the chainsRaoul, Raoul, Raoul and the Kings of Spain
Making it plain, making it sane
To turn this loss into a gainRaoul, Raoul, Raoul and the Kings of Spain
Raoul, Raoul, Raoul and the Kings of SpainDid you know all mothers come from Heaven?
Did you know all fathers come from Hell?
That is why they're at sixes and sevens
That is why their marriage isn't well, RaoulWhen the seventh of the seventh son
Comes along and breaks the chainsRaoul, Raoul, Raoul and the Kings of Spain
Making it plain, making it sane
To turn this loss into a gainRaoul, Raoul, Raoul and the Kings of Spain
Raoul, Raoul, Raoul and the Kings of SpainThe Kings of Spain, the Kings of Spain
The Kings of Spain, the Kings of Spain
The Kings of Spain, the Kings of Spain
The Kings of Spain, Raoul
