Grace Amazing

Mark Schultz

I'm not myself today
But I'm finding it's okay
My heart is learning to believe
You could love someone like me
Oh Lord, I'm not myself today
'Cause I was lost until You found me
Now I feel Your arms around me
Open wide the gates tonight
Jesus, come and flood my life with grace amazing
Now I know in letting go
What it means to be set free by grace amazing
I've been forever changed
I heard You call my name
You lavish me with love unearned
So much more than I deserve
Oh Lord, I've been forever changed
'Cause I was blind but I am seeing
Now my heart can't keep from singing
Open wide the gates tonight
Jesus, come and flood my life with grace amazing
Now I know in letting go
What it means to be set free by grace amazing
We sing, You are God and You are holy
We sing, only You can set us free
We sing, You are God and You are holy
We sing, only You can set us free
Open wide the gates tonight
Jesus, come and flood my life with grace amazing
Now I know in letting go
What it means to be set free by grace amazing, by grace amazing
Oh, now I know in letting go
What it means to be set free by grace amazing
