

Show Me Your Real Darkness

Raunchy

12 years of thunder and storm
Turned me into what I was meant to become
I'm not a liar though I do you wrong
I just need fire to remain strong Show me your real darkness
It's no use to me if you keep it to yourself
You're all sugar, call me pretty face
Well I'm nasty mind and your only hell Oh show me your real darkness, you keep it to yourself Your song, your
sweet song I'm sick to my mind
I'll stick to my own life
Your song, your sweet empty song, so hollow 12 years of thunder and storm
Turned me into what I was meant to become
I'm not a liar though I do you wrong
I just need fire to remain strong Oh show me your real darkness, you keep it to yourself Your song, your sweet
song I'm sick to my mind
I'll stick to my own life
Your song, your sweet empty song, so hollow Don't say another word
