Advisory - the following lyrics contain explicit language:

Oh the night, makes you a star  
And it holds you, cold in it's arms  
You're the one to whom nobody verses "I love you",  
Unless you say it first So you lie there, holding your breath  
And it's strange, how soon you forget  
That you're like stars,  
They only show up when its dark,  
Cause they don't know their worth And I think you need to stop following misery's lead  
Shine away, shine away, shine away Isn't it time you got over  
How fragile you are?  
We're all waiting  
Waiting on your supernova  
Cause that's who you are  
And you've only,  
Begun to shine There are times when,  
The poets and porn stars align  
And, you won't know who to believe in,  
Well that's a good time to be leaving And the past knocks on your door  
And there's stones at your window  
At four in the morning  
Well maybe, he thinks its romantic  
He's crazy  
But you knew that before And I think you need to stop following misery's lead  
Shine away, shine away, shine away Isn't it time you got over  
How fragile you are?  
We're all waiting  
Waiting on your supernova  
Cause that's who you are  
And you've only,  
Begun to shine Yeah, you've only begun to shine Won't you shine, shine, shine, shine over shadow (oh, oh)  
Shine, shine, shine, shine over shadow (oh, oh)  
Shine, shine, shine, shine over And I think you need to stop following misery's lead

Shine away, shine away, shine away Isn't it time you got over  
How fragile you are?  
We're all waiting  
Waiting on your supernova  
Cause that's who you are  
And you've only,  
Begun to shine Yeah, you've only begun to shine Yeah, you've only begun to shine
