Wrong Side Of The Moon

Squeeze

Across the ocean she's been waiting to hear
If love's a secret to all the things she fears
Was it tiptoe around my pillow talk
They'll come the only boy she had with any thoughtThe heart pretends I'm not so far away
She said tomorrow and I'm here todayI miss her now and I say it's only true
I feel like I'm on the wrong side of the moon
(Wrong side of the moon)I'm forgettin' to remember to forget
All the memories locked in my head
I'll be home then you'll hear what I say
It seems forever started only yesterday
My heart keeps time which passes very slow
When you're lonely without a place to go
I've got the lonesome ocean blues
I feel like I'm on the wrong side of the moon
(Wrong side of the moon)
