Damnation

Catalepsia

Look through my mind
It's a world of confusion
There's nothing right to see
There's nothing true to feelRun, I am cursed
Your spell won't save me
My world is dark and bleak
My heart is still and coldSpeak to my soul
It's a voice of the non-existent
There's nothing to understand
There's nothing fair for youI am too far, too deep
You will never reach my soul
Stay away from me
You cannot make it real
I'm too close to fall
From the heaven of your dream
Say goodbye to me dear
I'm leaving you behindLook through your mind
It's a world of destruction
There's nothing to memorize
There's nothing bright for meSpeak to your soul
It's a voice of fading prayer
There's nothing to revive
There's nothing I can changeI am too far, too deep
You will never reach my soul
Stay away from me
You cannot make it real
I'm too close to fall
From the heaven of your dream
Say goodbye to me dear
I'm leaving you behind
