

# Touch Too Much (Alternate lyrics & music)

## AC/DC

It was one of those nights  
When you turned out the lights  
And everything comes into view  
She was taking her time  
I was losing my mind  
There was nothing that she wouldn't do It wasn't the first  
It wasn't the last  
She knew we was making love  
I was so satisfied  
Deep down inside  
Like a hand in a velvet glove Seems like a touch, a touch too much  
Seems like a touch, a touch too much  
Too much for my body, too much for my brain  
This damn woman's gonna drive me insane  
She's got a touch, a touch too much She had the face of an angel  
Smiling with sin  
A body of Venus with arms  
Dealing with danger  
Stroking my skin  
Let the thunder and lightening start It wasn't the first  
It wasn't the last  
It wasn't that she didn't care  
She wanted it hard  
And wanted it fast  
She liked it done medium rare Seems like a touch, a touch too much  
Seems like a touch, a touch too much  
Too much for my body, too much for my brain  
This damn woman's gonna drive me insane  
She's had a touch, a touch too much, touch me Seems like a touch (touch too much)  
You know it's much too much (much too much)  
I really want to feel your (touch too much)  
Girl you know you're giving me (much too much)  
Seems like a touch  
Just a dirty little touch  
I really need your touch  
'Cause you're much too much too much too much Seems like a touch, a touch too much  
Seems like a touch, a touch too much  
Giving me a touch, a touch too much  
Baby gotta a touch, a touch too much

Seems like a touch, a touch too muchA touch too much

A touch too much

A touch too much

A touch

Come on touch me

Ah
