This is Me

Camp Rock

I've always been the kind of girl
That hid my face
So afraid to tell the world
What I've got to say
But I have this dream
Bright inside of me
I'm gonna let it show, it's time
To let you know
To let you knowThis is real, this is me
I'm exactly where I'm supposed to be, now
Gonna let the light, shine on me
Now I've found, who I am
There's no way to hold it in
No more hiding who I want to be
This is meDo you know what it's like
To feel so in the dark
To dream about a life
Where you're the shining star
Even though it seems
Like it's too far away
I have to believe in myself
It's the only wayThis is real, this is me
I'm exactly where I'm supposed to be, now
Gonna let the light, shine on me
Now I've found, who I am
There's no way to hold it in
No more hiding who I want to be
This is meYou're the voice I hear inside my head
The reason that I'm singing
I need to find you, I gotta find you
You're the missing piece I need
The song inside of me
I need to find you, I gotta find youThis is real, this is me
I'm exactly where I'm supposed to be, now
Gonna let the light, shine on me
Now I've found, who I am
There's no way to hold it in
No more hiding who I want to be
This is me

You're the missing piece I need
The song inside of me
You're the voice I hear inside my head
The reason that I'm singing
Now I've found, who I am
There's no way to hold it in
No more hiding who I want to be
This is me.
Yeah!
