

# When You Look Me In The Eyes (Pre-pubesent Nick)

## Jonas Brothers

If the heart is always searching  
Can you ever find a home  
I've been looking for that someone  
I'll never make it on my own  
Dreams can't take the place of loving you  
There's gotta be a million reasons why it's true  
When you look me in the eyes  
And tell me that you love me  
Every thing's alright  
When you're right here by my side  
When you look me in the eyes  
I catch a glimpse of heaven  
I find my paradise  
When you look me in the eyes  
How long will I be waiting  
To be with you again  
Gonna tell you that I love you  
In the best way that I can  
I can't take a day without you here  
You're the light that makes my darkness disappear  
When you look me in the eyes  
And tell me that you love me  
Every thing's alright  
When you're right here by my side  
When you look me in the eyes  
I catch a glimpse of heaven  
I find my paradise  
When you look me in the eyes  
More and more, I start to realize  
I can reach my tomorrow  
I can hold my head high  
And it's all because you're by my side  
When you look me in the eyes  
You tell me that you love me  
Every thing's alright  
When you're right here by my side  
When I hold you in my arms  
I know that its forever  
I just gotta let you know  
I never want to let you go  
Cause when you look me in the eyes  
And tell me that you love me  
Every thing's alright  
When you're right here by my side  
When you look me in the eyes

I catch a glimpse of heaven  
I find my paradise  
When you look me in the eyes
