Paper Skin

Kendall Payne

DonÃ¢Â€Â™t let your life slip through the cracks in your hand
If you hold on tight you might stand a chanceDonÃ¢Â€Â™t be yourself if youÃ¢Â€Â™re not someone you like
ThereÃ¢Â€Â™s hope for change in anyoneÃ¢Â€Â™s lifeThe paper skin IÃ¢Â€Â™m living in it tells the truth, it pro
broken
This paper skin, so frail so thin and every touch can tear me open
La la la la la la la la la, La la la la la la laDonÃ¢Â€Â™t make your love suffer insecurity
Trade the baggage of Ã¢Â€Âœself Ã¢Â€Â• to set another man freeDonÃ¢Â€Â™t dream out loud you never know who
Delight in bringing you down and fill your head with their fearsOn paper skin words wonÃ¢Â€Â™t rescind they sink
too deep and slice me open
In paper skin I never mend it bends me back until IÃ¢Â€Â™m broken
La la la la la la la la la, La la la la la la la la
