

# English Summer

## Eurythmics

Child in the distance  
A memory untamed  
Family connections

There's a mess in the kitchenAll messages received

Always a quick reply

The mood the afternoon

Another change of lightThere's nothing like an English

SummerThe telephone is good

So wonderful and true

We need the time to think

Everyone's listening

Songwriters

Rodger Pumphrey;David Stewart;Annie LennoxPublished by
