

# Smashing the opponent (Marty Lake Remix)

## Infected Mushroom

Smack me again  
And I cant believe its true  
Smashing the opponent  
Was not my intention to do  
Nether did youForesee such an outcome  
To this unnecessary ending  
I wish I could retrace all my steps  
And erase my mistakes  
With youI wanted to say  
You shouldnt suffer this way  
I wanted to say  
I hope I can take it awayTempt me again and I will forget the truth  
Backing your decision  
Was something I neglected to do  
Even for you  
If you feel rage to strike me with revenge  
I will be standing right here  
Waiting without fear  
For you
