

# King of What

## The Revivalists

You say every man's a king  
King of what?  
They say every man's a king  
A king of what?  
I got my bullets, bag and stone don't wake me up I'm in the zone  
And I believe the trees not those innuendo seeds  
Everything is light see no voodoo in the night  
Hear no evil, fear no evil what's the reason for the fight?  
If every man's a king  
A King of what?  
They say every man's a king  
A king of what? I can hear you on the other line tell stories from another time  
Lawsuit love is all we know like fleeing dogs in heavy snow  
Wait in wonder, watch in awe  
Who we were is all we are It's getting dangerous, dangerous  
It's getting dangerous  
You say every man's a king  
King of what?  
You say every man's a king  
A king of what?  
Of every step that he will take  
Every move that he must make  
Every waking moment he's alive  
Every thought and spoken word  
Laughter, sob or sigh he heard  
Every ounce of love that's in his heart  
He's a king  
We are kings
