

# Boxcar Blues

Gary Hoey

Early in the morning,  
Trying to get to the school  
Oh, you get the river crossing  
There's only one way through  
When I hear the whistle blowing  
I get the boxcar blues  
Early in the morning,  
Trying to get to the school  
Everything starts shaking  
You'd better hold on to  
When I hear the whistle blowing  
I get the boxcar blues  
Sometime the cars keep coming  
I ... the wheels  
Then i start..  
Till I hit the ground  
When the train leave the station  
I know just what to do  
When I hear the whistle blowing  
I get the boxcar blues  
(Boxcar blues)  
Early in the morning,  
Trying to get to to you  
You get the river crossing  
There's only one way through  
When I hear the whistle blowing  
I get the boxcar blues
