# Oh Oh

## Marineros

Oh, oh
Oh, oh
Boy, you said that you don't want anybody
Then went and found somebody, oh, oh
Bet you thought I'd be all messed up about it
Losing myself about it, oh, oh
Then I got out of bed and I quickly discovered
That I never needed you, oh, oh
And I picked up the phone, and I called all my friends
Told them, "Why don't we make a move?", oh, oh
If you think I'll cry for you tonight
I'm out having my oh, oh
And I look so hot, the boys forgot
That after in comes, oh, oh
Tonight, tonight
Don't call me like you want to talk about it
You had a chance to do it, oh, oh
Don't have your friends call my friends
Looking for some advice about it
You can forget about it, oh, oh
I was all by myself and I quickly discovered

That I never needed you, oh, oh
I can pick up the phone and get me another you
I'll bet he'll know just what to do, oh, oh
If you think I'll cry for you tonight
I'm out having my, oh, oh
And I look so hot, the boys forgot
That after in comes, oh, oh
Tonight, tonight, oh, oh, oh, oh, oh, oh
I was all by myself and I quickly discovered
That I never needed you, oh, oh
I can pick up the phone and get me another you
I'll bet he'll know just what to do
If you think I'll cry for you tonight
I'm out having my, oh, oh
And I look so hot, the boys forgot
That after in comes, oh, oh
Tonight, tonight, oh, oh

Oh, oh, oh, oh, oh, oh, oh, oh, oh, oh
Da, da, da, da, da, da
Da, da, da, da, oh, oh
