

# Cancel The Exhibition

## 3 Colours Red

If you never listen to the words,  
You're gonna get what you deserve.  
And did you ever think that you just might be wrong sometimes?  
I got a universe of soul.  
So many things that you don't want to know  
Exist in spaces between out there and below.[Chorus]  
At a million miles an hour,  
It'll knock you off your tower;  
Be the poison in your flower.  
Time for goodbye.  
Cancel the exhibition.  
Fade in the warning signs.  
Feel like I gave it all,  
But I no longer have the will to try.I want to live without the guilt;  
Didn't even see the walls were built.  
I've been here before, but this time I won't be staying.[Chorus]At a million miles an hour,  
It'll knock you off your tower;  
Be the poison in your flower.  
Time for goodbye.  
Cancel the exhibition.  
Fade in the warning signs.  
Feel like I gave it all,  
But I no longer the will, so  
Cancel the exhibition.  
Fade in the warning signs.  
Feel like I gave it all,  
But I no longer the will to try.Keep your money.  
Keep your things.  
Keep everything.  
Keep your things  
And cancel everything.  
Stop.
