Mainline

Tensnake

And now that youâ€™re loving, youâ€™re kissing
Youâ€™re hugging, youâ€™re squeezing my body, baby
Say yeah, yeah, yeah
Say yeah, yeah, yeah

Higher and higher fly deep inside your love
Iâ€™m so addicted, I just canâ€™t get enough
Hooked on a habit, of love I canâ€™t escape
Youâ€™ve got your love potion flowing through my veins and darling
Donâ€™t wanna stop cause you struck my mainline
Canâ€™t stop this feeling, inside my brain
I just canâ€™t stop, youâ€™re working on the mainline of my love
Say yeah, yeah, yeah
Say yeah, yeah, yeah

Your love is lower, the price I had to pay
Cause once youâ€™re loving me, everything get changed
The world seems brighter, now nothing seems the same
You sent your love to me ever since you came and darling
Donâ€™t wanna stop cause you struck my mainline
Canâ€™t stop this feeling, inside my brain
I just canâ€™t stop, youâ€™re working on the mainline of my love
Say yeah, yeah, yeah
Say yeah, yeah, yeah
