## Gorillaz

Doncamatic  
Down lowly  
Make up for the time you wasted  
Come slowly  
And claim back the boy you left behind  
Close the white book  
Unplug the brain from the game  
'Cause it's time to wipe out  
'Til the stars get on the fame  
The song is not the same when we're all  
Played out, played out, all played out  
They said the member is all  
Played out, played out, all played out  
Tell me did you feel that?  
Don't slow down  
Even if it's only to escape  
Just down low now  
Before somebody steals the place  
Close the white book  
Unplug the brain from the game  
'Cause it's time to wipe out  
'Til the stars get on the fame  
And the conversation's over  
We're all played out, played out, all played out  
(Talk to me, talk to me, talk to me, talk to me)  
You see the member is all played out  
Played out, played out, all played out  
(Talk to me, talk to me, talk to me, talk to me)  
Tell me did you feel that?  
Doncamatic  
Down lowly  
Make up for the time you wasted  
Come slowly  
Claim back the boy you left behind and  
Close the white book  
Unplug the brain from the game  
It's time to wipe out  
'Til the bar get on the fame  
The song is not the same when we're

All played out, played out, all played out  
(Talk to me, talk to me, talk to me, talk to me)  
You see the member is all played out  
Played out, all played out  
(Talk to me, talk to me, talk to me, talk to me)  
The song is not the same when we're all  
Played out, played out  
(Talk to me, talk to me, talk to me, talk to me)  
The song is not the same when we're all  
Played out, played out, played out, played out  
(Talk to me, talk to me, talk to me, talk to me)  
Tell me did you feel that?
