

I'm Leavin'

Elvis Presley

La
La la la la la la la la la la la la
La la la la la la la la la la la la

La la la la la la la la la la la la
Well I know, if I'd arrived in time to know you
You'd have taken the time to show me

I wouldn't be lonely
Where will I go, who will I have to lie beside me
Is it something that's inside me

I'm so lonely
Tried so hard each time, each time I just can't make it
Feelin' fast vibrations and I just can't take it

Living from day to day, chasing the dream
I'm, I'm leavin' La la

La la la la la la la la la la
Tried so hard each time, each time I just can't make it
Feelin' fast vibrations and I just can't take it
Living from day to day, chasing the dream
I'm, I'm leavin' La la la la la la la la la la

La la la la la la la la la la
La la la la la la la la la la

La la la la la la la la la la
I'm, I'm leavin' La
La la la la la la la la la la
La la la la la la la la la la
La la la la la la la la la la
