Season's End

Kamelot

Once in my life
A second of eternity
Seems long in my mind
What used to beKeep changing over time
Don't go
Please don't say it's over
'Til it isDon't say goodbye
Like we'd never meet again
Leave me a lie
At the season's endMoments in time
Seems to be so long
In my old mind
My images of MayYou gave me a sign
I took the chance
Of never looking back
I hope you understandDon't say goodbye
Like we'd never meet again
Leave me a lie
At the season's endCome lift the light
Into heaven with a song
Don't say goodbye
'Cause it's been so longIt's been so long
It's been so longYou gave me a sign
I took a chance
By never looking back
I hope you understandI hope you don't say goodbye
Like we'd never meet again
(Say goodbye)
Leave me a lie
At the season's end
(Season's end)Come lift the light
Into heaven with a song
(With a song)
Don't say goodbye
'Cause it's been so longIt's been so long, so long
