Automatic

Amy Macdonald

[Verse 1]
I'm going back, back again
Flying solo, only myself to blame
Taking my chances time and time again
Goodbye to you my old friend[Chorus]
Cause I'm ready to go, this feeling won't stop
Hitting the road, it's all that I've got
It's automatic
Foot to the floor, I can't take anymore
Running from the life I tried to ignore
It's automatic, automatic[Verse 2]
Feeling sadness, feeling shame
I've taken the easy way out over and over again
Open road, I'm coming home
I'm free to live, I'm free to roam[Chorus]
Cause I'm ready to go, this feeling won't stop
Hitting the road, it's all that I've got
It's automatic
Foot to the floor, I can't take anymore
Running from the life I tried to ignore
It's automatic, automatic[Bridge]
Bring it right down, get ready to stop
Turn it right round, go back to the start
Bring it right down, get ready to stop
Turn it right round, turn it right round, turn it right round
Go back to the startAutomatic, automatic[Chorus]
Ready to go, this feeling won't stop
Hitting the road, it's all that I've got
It's automatic
Foot to the floor, I can't take anymore
Running from the life I tried to ignore
It's automatic, automatic
